ANNUAL CULTURAL FESTIVAL

INTRODUCTION

The Annual Cultural Festival – RHYTHM is one of the most anticipated and celebrated events of Deenbandhu Chhotu Ram University of Science and Technology (DCRUST), Murthal. Every year, RHYTHM brings together the dynamic youth from diverse colleges and institutions, transforming the campus into a vibrant hub of art, creativity, and cultural exchange.

The 2025 edition, themed “Sutradhar: Threads of Culture”, celebrates the invisible bonds that unite us through stories, traditions, and artistic expression. Each performance — whether in dance, music, drama, or art — becomes a colorful thread woven into a larger tapestry of shared identity and creativity. RHYTHM stands as a bridge between the past and present, blending heritage with innovation and showcasing the boundless imagination of young minds.

Beyond being a stage for expression, RHYTHM is a journey of learning and collaboration. It nurtures leadership, teamwork, discipline, and communication while inspiring respect for diverse cultures and perspectives. Outstanding performers will be selected to represent DCRUST at prestigious platforms like the Inter-University North Zone Youth Festival and the National Youth Festival (AIU), earning recognition and pride for the university.

More than an event, RHYTHM is a celebration of unity, creativity, and cultural pride. It embodies DCRUST’s vision of holistic education — where knowledge meets expression, and individuality blends with community spirit. As students come together to create, perform, and inspire, they weave countless stories into one grand narrative — the living fabric of RHYTHM.
